# ***LABOR DAY WEEKEND***

## **@ SKY LAKE**

# ***SEPTEMBER 3-6***

### About the Labor Day Weekend Retreat

Labor Day Weekend traditionally signals the end of summer and the beginning of fall. Families, young, old, and in between, will enjoy this weekend retreat opportunity to relax, play, learn, and grow in faith. A variety of activities are combined with ample free time, so when you aren't making a craft, enjoying the campfire sing-a-long, making ice cream, or going for a boat ride, you can sit back and toast a marshmallow, read a good book, or go for a hike.

We have a variety of packages available for our Labor Day Weekend Retreat. Here are your options:

### Campground

Bring your own tent or camper and set up on one of twenty-six private campsites. Each campsite is located off the dirt driveway that passes through the family campground. A handful of sites even come equipped with 110-Volt electricity hookups (hurry, these go quickly).

Occupancy on each site is limited to six persons. An exception to this rule is granted for immediate families (parents and dependent children) comprised of more than six persons. Fire-rings and a picnic table are provided on each site, as campground guests cook their own food. Showering and toilet facilities are located in Caldwell Pavilion in the heart of the campground.

The base fee includes a three-night stay and a small program fee. You may arrive any time on Friday and depart any time on Monday. Want to extend your weekend? Spend Thursday or Monday night for an additional fee.

### West Shore Cabins

The West Shore Cabins are the perfect choice for families looking for slightly more rustic accommodations than Riley Lodge, but aren't too keen on spending a weekend in a tent. Each cabin has six bunk beds and one twin-size single bed. There are electric outlets and overhead lights in each cabin-so you don't have to worry about fumbling around in the dark! If you stay in one of the cabins, you'll have the choice of cooking your own meals or eating in the dining hall on the East Shore. Showering and toilet facilities are located in the West Shore Bathhouse, a short walk up the hill from the cabins. ***You may arrive any time after noon on Friday, September 3. The optional meal service will begin at noon on Saturday, September 4. Programming concludes at noon on Monday, September 6.***

### Riley Lodge

Riley Lodge makes it easy for families to enjoy a weekend at Sky Lake without having to "rough it"! A series of two-, three-, four-, and five-person rooms that are easily able to accommodate different sized families. We provide you with a bed and mattress, you bring the linens. Bathrooms are located just across the hall or ensuite.

Meals are included in the Riley Lodge option and will be taken in Founders' Lodge. And good news for immediate families with more than three members-you'll be charged a maximum of \$260.00! ***You may arrive any time after 11:00am on September 4. Meal service will begin at noon that day. Programming concludes at noon on Monday, September 6.***

### About Sky Lake

Sky Lake is a Christian camping and retreat center owned and operated by the Upper New York Annual Conference of the United Methodist Church. Comprised of 940-acres atop Tuscarora Mountain, east of Windsor, New York, Sky Lake offers numerous Christian camping opportunities for children, youth, adults, families, and persons with special needs throughout the year.

We have been welcoming guests of many faiths and walks of life to our facilities since 1947. Throughout the 63 years of ministry at Sky Lake, our focus has been on the presence and power of Jesus Christ. Over the decades, countless persons have been invited into the community of faith, provided with opportunities to encounter the saving grace of God's love in Jesus Christ, encouraged to take steps forward in their faith journeys, and sent forth to live as disciples of Christ within their own families, churches, and communities.
